Samsung Tab Active Pro Multi Slot Dock

Simple and safe charging for the Samsung Tab Active Pro
Multiple bays replace single wall cube charger for each tablet
Same proven design as our legendary Tab Active-2 (PSP5GTA) dock

SPECIFICATIONS

Reliable, simple to use

- Supports up to five Tab Pro's
- Docks on Tab Pro pogo pads
- Durable rugged ABS materials
- One handed insertion and removable
- For desktop or cabinet use

Safe & protected power for the dock and the tablet

- Ultra-durable pogo pins align precisely to the tablet
- Each Tab Pro will charge at maximum rate
- LED's show charging status or slot fault at a glance
- Slots are un-powered until the dock detects a tablet is inserted
- Over current / over voltage protection shuts down the slot if fault is sensed
